**RE: Radar Shield Technologies, LLC**

Dear Mr. Reyer:

If you are represented by legal counsel, please direct this letter to your attorney immediately and have your attorney notify me of such representation.

It has come to my attention that your company persists in spreading untruths about my client, Mr. Nir Steel and his company, Radar Shield Technologies, LLC. These defamatory statements are published online and are affecting Mr. Steel's business. For example, RadarShield Technologies, LLC's holds a registered trademark for Radarshield and your assertions that the product is a "Chinese counterfeit" are untrue, defamatory, and illegal. Additionally, your allegations that Radarsheild doesn't carry FCC certification is false, defamatory and illegal.

You are hereby warned to cease and desist from spreading any further defamatory statements, reviews, comments, articles, videos, photos, etc... against Mr. Steel or Radar Shield Technologies, LLC immediately. This includes e-mails, reviews, your own websites, other websites, Facebook, Youtube, and any other type of social media. Should you choose to ignore this warning, Mr. Steel will have no choice but to proceed accordingly and will not hesitate to file a lawsuit against you and your company and attempt to recover under every available remedy.

Govern yourself accordingly.

Sincerely,

BAVARO LEGAL, LLC
